As a young boy of only fourteen, and after receiving driving lessons provided by his older brother Herb or Herbert Bill drove his family that still lived at home from Clarendon, Texas to San Diego, California. The trip provided this teen the special treat of driving over the old "Imperial Dunes Plank Road" west of Yuma, Arizona. The steel frame held the wooden planks in place in this unique floating roadway, and was the only means of travel on the shifting loose sand.

Bill began his schooling in Texas and completed Elementary School at El Cajon Grammar School in El Cajon. In high school Bill was a member of the first string varsity football team in senior high graduating from Grossmont High School in 1937.

Bill had a milk delivery route while working for Stacy's Dairy in El Cajon, before joining the United States Navy during the second world war, which was also called "World War II. Bill left the service as a Chief Petty Officer at the end of the War in 1945.

Bill's older brother, Herb or Herbert and his bother-in-law Preston Henson jointly owned and operated and underground construction company the San Diego area at the time of Bills returning home from the service. Bill didn't have a job so Preston graciously bowed out of the company, giving the three brother the opportunity to work together. Herbert brought his two younger brothers into his business as co-owner.

The company's name was changed to "Ham Brother's Construction, Inc.." and Bill was named acting President. After forty five year the two younger brothers retired turning Ham Brother's over to their sons.

OBITUARIES

Willard Ham, 80; led construction company, crafted custom violins

Willard Ham

After 45 years of specializing in drain, pipeline and sewer installation, Willard "Bill" Ham took on a new kind of construction project.

With aged, imported wood and a craftsman's touch, he made violins true to the classic designs of the legendary Antonio Stradivari, originator of the Stradivarius.

Mr. Ham, 80, was working on his third custom-made violin before he died of heart failure May 1 in a La Mesa nursing center.

"He had the kind of a mind that, if he knew there was a challenge, he wanted to top it," said his wife, Marjory.

One day, while working in the South Bay with the Ham Brothers Construction Co., which he helped found in 1945, Mr. Ham saw handmade violins displayed in a garage.

His interest was piqued, but it wasn't until several years later, after retiring as president of his East County construction firm, that he found time to make violins.

His first, which took more than a year to finish, was lent to musicians in the Helix High School orchestra.

"It had a nice, deep sound and they made (an audio) tape of it," his wife recalled.

Although he was not a musician, Mr. Ham had developed a love of opera as a youngster, attending performances in San Diego.

When he decided to make violins, Mr. Ham asked friends at his favorite coffee shop in El Cajon whether anybody knew how to get started. A friend gave him a book.

Mr. Ham then wrote to violin companies for information on patterns and building materials and joined the Southern California Association of Violin Makers.

Before becoming a violin hobbyist, Mr. Ham was best known to followers of youth sports in El Cajon as "Mr. Baseball."

That was the tag he received from the El Cajon Chamber of Commerce for helping build youth baseball fields in El Cajon, where his son, Michael, played Little League, Pony League and Colt League ball.

Mr. Ham was born in Colorado and settled in the San Diego area with his family as a young teenager. He graduated from Grossmont High School, where he played football.

He served as an aviation machinist's mate in the Navy during World War II and was stationed at Pearl Harbor after it was bombed by the Japanese.

Discharged from active duty as a chief petty officer, Mr. Ham joined an older brother, Herb, in founding Ham Brothers Construction Co.

The firm installed pipelines for subdivisions throughout San Diego County and was involved in public works projects.

Mr. Ham retired from construction in 1990. Before venturing into violin making, he took up woodworking and built a dining room table out of cherry wood for a stepdaughter and a desk for a grandson.

A lifelong sports fan, Mr. Ham belonged to a San Diego Padres booster club and was a season ticket holder for the Chargers and Padres.

He is survived by his wife, Marjory; a son, Michael, of Alpine; a brother, George, of El Cajon; a sister, Mildred; a stepdaughter, Georganne Greiner of Ramona; and two grandsons.

Private services were scheduled.

Property sold

LAKESIDE — A 17-acre property of the Ham Bros. Construction Inc. was sold to a Monterey Park pipe manufacturer for $5,385,000. The purchaser, Ameron Inc., will relocate from an existing facility on Mission Gorge Road in San Diego.

Ameron will produce 12- to 21-foot concrete pipes to be used in water or sewer transmission lines and storm drains.

Ken Kay, senior vice president of finance and administration for Ameron, said that the company will service a market need for the San Diego area.

He said he did not know whether the pipes would be used to transport reclaimed water.

George Ham, who co-owns Ham Bros. with his brother Bill, said that he has not yet picked out another site for his company, though it might be moved to another property that the brothers own in Lakeside.

"We had more property than we needed, and they had a need for a plant site," said Ham.

Ham Bros. has operated in Lakeside for the past 45 years.(laf)

Thursday

I had a wonderful time visiting with you and stored up some great new memories. Thankyou for everything including the sweaters. I'll get a lot of use from them in Montana this winter.

Cliff arrived here yesterday, tired and happy to have the drive down over with.

Friday

Today we all went to Sea World and out for dinner so we are all pooped. But it is fun.

Last night we had dinner with Bill and Marjorie. Bill said reluctantly that his middle name is Wendal - I don't know about the spelling tho - But this is just for your own information.

Bill did work in a dairy before he went into the Navy. He had a milk delivery route. He started to work with Dad about 1946 - at that time Uncle Preston was working with them. Then Uncle Preston went to Texas - he thought - so George went to work with them sometime in 1947.

He thought Daddy started with Lovoda's husband Jim Darling, but he died before the war ended and Uncle Preston started working with him.

I'm afraid that's all I come up with. I did take a couple of pictures of them. If they are good I'll send you copies. Again thanks for a great Visit!!

Dear mom and Pop:

Hi folk's how are you all to day, I hope you all are well, and are feeling in good speruts. I am just fine, and feel pretty good mentally, I just heard the Radio news and the navy has, given out its point discharge system and I have 52 point's, which is enought to get out on I only need 44 points to be released, It will probably be some times befor I can get out yet, but at least I feel better in knowing that I have the nessecary points, to be released when and if the navy will be so kind and do so. My it sure will feel good to be on the out side once more, I cant hardly wait, but like every thing else my getting out will all come in due time, So I am not going to let it bother me for a while yet. Pop, mom how do you all feel about the ending of the war

Hawaii
4th Aug, 1945

Dear mama and Pop:
Hi folks how are you all
to day I hope you all are nicely and
are feeling in good spirits I am
fine here, and feel pretty good
generally. I just heard the Radio
news and the navy has given
out its point discharge system
and I have 53 points, which is
enough to get out as only need
44 points to be released. It will
probably be the same time before I
can get out yet, but at least I
feel better in knowing that I have
the necessary points, to be released
as soon as they and if the navy will let
go [illegible] and so on. Boy it sure
will feel good to be out [illegible]
[illegible] now, I can't hardly
wait, just like every thing else
my getting out must all come in
due time. So I am just going to
let it go further and hope a while
yet. Pop, mama how is your all
feel about the ending of the war

it sure feel's nice doesn't. Every body over here, sure had a big Celebration, and was extreamly happey. But I see to day every body ~~all~~ has got back to normal and they are not saying much about it now. Oh people will for get about this war pretty soon, and go on as if nothing had happened. Well perhaps that is the way it should be. Mom I got your very sweet little letter yesterday, I was sure glad to hear. I was surprised to hear that, you were getting lazy and did not like to cook any more well. let me tell you something, you had better not get to much out of the habit, cause when I get home I am expecting some, good food cooked by you, and if you cant produse, it is going to be me and you all over the place. (ha) do I make my self clear. Mom there is not much news over here now, it has settled back in to the old routine again. How ever the heat is off, and we are not

working as hard as we were, but
I guess every thing will pick up
in a few day's. Mom I have been
going to school, they have a class
~~of~~for air craft engine or learn to be
a engine mechanic's. Well any way
after I have finished this course the
Civial air nautics will give me a
licens, and you cant work on a
Cevili'a air plane with out these
licens. I dont know if I will every
work at air craft after I have left
the navy, but I felt that it might
help a little later on even if I never
used the licens. well mom I guess
I had better close for now but I
will write again soon. I have a
little more book work to be done
yet, and I guess I had better do it
as I dont want to get behind. Mom
It is going to be nice to get home
once more. and see all of you all
and may that wont be to much longer
in the future. Tell every one hello
for you and pop take good care of
your selves. your loving son.

JAPANESE CLAIM BIG U.S. LOSSES

TOKYO, Dec. 8 - Japanese Imperial Headquarters announced today the sinking of two United States battleships and a mine-sweeper, severe damage to four other American capital ships and four cruisers and the destruction of about 300 American planes in Japan's surprise blows at Hawaii, the Philippines and Guam.

Domei, the official news agency, quickly interpreted "these magnificent early gains" as giving Japan naval mastery over the United States in the Pacific, and said that any force the U.S. could muster now "would be regarded as utterly inadequate to accomplish any successful outcome in an encounter with the thus-far intact Japanese fleet."

HONOLULU, Dec. 7 - Battleship Row, heart of the U.S. Pacific Fleet, was dealt a devastating blow this morning by Japanese aircraft.

The giant warships, clustered around Ford Island in Pearl Harbor, were the prime target for the countless enemy bombers, torpedo-planes and fighters.

The Arizona was struck the hardest, taking five torpedos and several direct bomb hits that sunk her with 1,150 men trapped in her hull.

Nearby, the Oklahoma was stricken with five torpedo blasts, two even as she capsized, with a reported 400 crew members below her decks.

Two torpedos slammed into the Utah, a former battleship turned into a target vessel, and sent her blazing.

Six torpedos and a halo of bombs rocked and sank the West Virginia at her moorings.

The California, engulfed in flames and dense smoke, ordered her crew to abandon ship as she settled at the stern.

The only battleship to actually get underway, despite being hit with torpedos, was the Nevada. But the ship suddenly burst into flames and ran aground purposely to avoid sinking at the mouth of the channel and block the entrance for other ships.

I had a wonderful time visiting with you and stored up some great new memories.

Thankyou for everything including the sweaters. I'll get a lot of use from them in Montana this winter.

Cliff arrived here yesterday, tired and happy to have the drive down over with.

Friday

Today we all went to Sea World and out for dinner so we are all pooped. But it is fun.

Last night we had dinner with Bill and Marjorie. Bill said reluctantly that his middle name is Windal - I don't know about the spelling tho - But this is just for your own information.

Bill did work in a dairy before he went into the Navy. He had a milk delivery route. He started to work with Dad about 1946 - at that time Uncle Preston was working with them. Then Uncle Preston went to Texas - he thought - so George went to work with them sometime in 1947.

He thought Daddy started with Lovada's husband Jim Darling, but he died before the war ended and Uncle Preston started working with him.

I'm afraid that's all I come up with. I did take a couple of pictures of them. If they are good I'll send you copies.

Again thanks for a great Visit!!

And, have a good Birthday Love Bernie
